RE: Permit No. 29-0158331-001 - Modification No. 29-0158331-004, Hillsborough County  
Archie Creek re-route: completion date extension

Dear Mr. Stewart:

Your request to modify this permit has been received and reviewed by Department staff. The changes proposed, are not expected to result in any increased environmental impacts. The Permit is modified as follows:

<u>Condition(s)</u>	<u>From</u>	<u>To</u>
Archie Creek re-route Completion Date	June 30, 2005	June 30, 2006

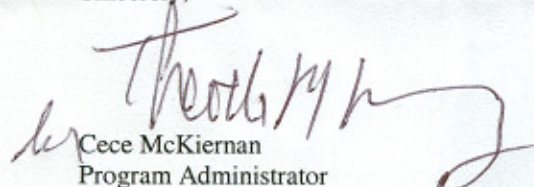

All other Specific and General Conditions in the Permit shall continue to apply.

Since the proposed modification is not expected to result in any adverse environmental impact or water quality degradation, the Permit is hereby modified pursuant to your request in the attached submittals. By copy of this modification letter, we are notifying all necessary parties of the modification.

This permit modification does not relieve you from the responsibility of obtaining other federal, state, and local permits, which may be required for the project.

This letter of approval does not alter or delete any other original General or Specific Conditions of this Permit. This letter must be attached to the original Permit.

Sincerely,
